Dear Ms. Maria Garcia

Re: Touristic information enquiry

We have found in your web page, www.utrechttourism.nl, that you organise tourist packages for big groups.

We are a Spanish tour operator who is interested on entering in the Dutch tourist market. Some colleagues had recommended your city as one of the most beautiful tourist destinations in the Netherlands. Therefore, ten persons of our staff are planning to travel there on March 15 th for a 5-day trip.

We would like to ask you to offer us a suitable group package for our trip to Utrecht. We appreciate your colaboration in advance.

We are looking forward to your answer.

Yours Sincerely,

Paloma Otero
